

## How-tos: Seamless Beginning Rnd and Ending Rnd

### A. BEGINNING OF ROUND

1

2

3

1) pull up a lp

2) ch1

3) sc in next st, finish rnd to last st.

#### Notes:

#1 and #2 above create an incomplete sc st; it is missing its top but will be completed at the end of the round with an invisible join.

#3 shows the flat pulled up ch lp on the right and on its left is the first completed sc.

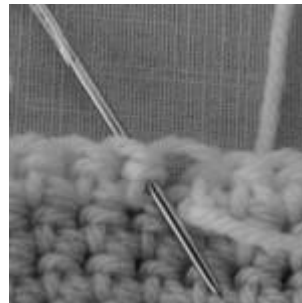

#4 below shows the last sc completed and the next st is the flat ch lp from #3 above.

4

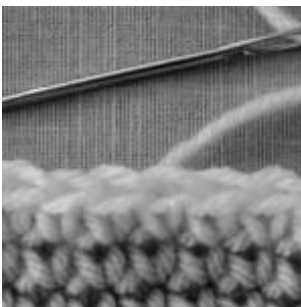

5

6

**B. END OF RND:** When the last st of the rnd is worked (the next st will then be the pulled up flat ch lp), cut yarn leaving a 6" tail. Pull thru lp on hk maintaining st gauge (#4).

Thread yarn needle; insert needle thru/under both lps of 1st sc st of rnd, then insert needle into ctr of last st of rnd thru to the wrong side and under the additional horizontal st; do not twist st (5&6). Then:

With right side facing, size the top of the st to match beg and end sts and also size the beg pulled up lp (tail shown in #6 foreground).

From wrong side, w/beg and ending tail, tie square knot without disturbing the gauge of the top ch just completed; weave in ends.

completed round.
